# Brecon Jazz Festival 2022

## 7th - 21st August

## Welcome

*I'd like to extend a very warm welcome to everyone attending Brecon Jazz 2022. It is fantastic to see the Jazz Festival returning to a full programme of events this year after the challenges caused by the Covid 19 Pandemic in recent times. The organisers ensured the Festival could continue online during this difficult period, but it is excellent to be able to welcome everyone to our Town once again this year, for live events and entertainment. I wish Brecon Jazz 2022 every success and hope that everyone attending enjoys the wonderful music and all that Brecon has to offer.*

**Councillor David Meredith,  
Mayor of Brecon**

### *A message from Kerra, Lynne & Roger*

Everyone, not just nationally and locally, but globally, has undergone a very difficult and challenging year since we wrote our last festival greeting in 2021. Indeed, this continues. Brecon Jazz Festival is planned, organised and delivered by a diverse band of volunteers, supporters and freelancers who look to the positives (sometimes against the odds!). This is because we know not just the value of music to public and individual well-being, but the importance of the Festival to Wales and Brecon itself, its people and businesses. Above all, it is what Brecon Jazz means to the musicians who come to play for appreciative audiences and in attractive venues. This is not just their employment, but their vocation-and ours too. From totally online in 2020 to 'hybrid' last year, we return for this 2022 Festival to full live participation. And with some new faces and partnerships as you will see.

"A fantastic opportunity for me and I'm so excited to be working with the Festival again this year". Kerra Thomas, USW Media Production graduate 2022."
